Research Project

Program content is aligned with the 2015 Georgia Educational Leadership Standards. The M.Ed. degree program/Tier I certification program addresses all standards with an emphasis on standards related specifically to practices designed to directly impact the improvement of teaching and learning. Program faculty, school/system personnel, and program candidates will collaborate in the development of performances/clinical practices that align with the 2015 Georgia Educational Leadership Standards and are informed by the Leader Keys Effectiveness System (LKES) Standards.

*Completion of the program leads to Tier I certification in Educational Leadership.
