

Rose Sanders Stanley Memorial Scholarship

for

Prospective Secondary School Mathematics Teachers

Application Deadline:

October 1 for those who will be student teaching in spring semester

March 1 for those who will be student teaching in fall semester

The Rose Sanders Stanley Memorial scholarship was created by the late Dr. Julian Stanley in honor of his wife, who was a high school mathematics teacher. The scholarship is awarded annually to a prospective secondary mathematics teacher (undergraduate or graduate student) who demonstrates both financial need and strong academic performance. The award will be given for the semester during which the recipient is student teaching.

Application Process: Provide the information requested on the following page in typed form.

Eligibility: Students (both undergraduate and graduate) seeking initial certification who will student teach in the next academic semester (fall or spring) are eligible for consideration for the scholarship. (Note: Graduate students who are supported on an assistantship or Noyce Fellowship are NOT eligible for the Stanley Scholarship.)

Deadline: Submit the application in hard copy by the due date to the receptionist in Aderhold 105 or by email to mse@uga.edu.

Timeline: The scholarship recipient will be announced no later than November 15 for those student teaching in spring and April 15 for those student teaching in fall.

Amount: The amount of the scholarship varies from year to year depending on the interest generated by the account and the number of awardees.

Questions: If you have any questions about this scholarship, please contact AnnaMarie Conner at aconner@uga.edu or 706-542-4548.
